Our
BUTCHERY

Our butchery unit gives us the opportunity to meet customer demand by offering a more extensive range of meat products, including smaller joints, cut steaks and our own mince and stew.

We pride ourselves on the quality and higher welfare of our meats, and we aim to achieve this by working with some of the UK's most respected farmers and meat suppliers. These strong relationships throughout the supply chain will ensure that we have full traceability of our products right back to source, giving our customers peace of mind.

If you require your meat to be prepared or packed in a certain way, simply advise us of this when placing your order. Whether vacuum-packed or not vacuum-packed, skin on, skin off, bone-in, boneless, rolled, tied, trimmed or flattened, we are always happy to help.

The Main
EVENT

The main attraction to your festive menu will always be the hearty main course.

Our range of Scottish pork, Scottish, British & Irish beef, Scottish & British lamb, sustainably sourced seafood and British & EU poultry will be sure to satisfy your customers needs.

Add the finishing touches with our wide selection of tasty trimmings!

About Us THOMSONS

Thomsons Foodservice is a family-owned limited Company which has been in the food business since 1987. We supply frozen, chilled and ambient food products as well as non-food products such as cleaning and hygiene. We also provide quality Scottish and British fresh meats and products from suppliers we have had a long-term relationship with. This ensures that we provide a consistent quality product.

The company has a reputation for excellent quality and the provision of quality products. Great service and integrity are our key values, ensuring the customer receives the highest level of service possible. It is important for us to listen to our customers and source products which suit their needs and are often that wee bit different from products they can get from other suppliers.

2014 was a big year for us as we moved into our new 15000 sq. ft, premises which we fitted out with a new cold-storage, chill and ambient storage area. Since then, we have also added our own butchery. We also joined Fairway Foodservice buying group which allows us the buying power of a large National business. This means better pricing for our customers whilst still providing a quality local service.

In 2018 we received the "Outstanding Small Business Award" from the Dumfries and Galloway Chamber of Commerce and in 2019 we won "Best Family Business Award" at the Dumfries & Galloway Life Awards, both of which we are really proud of.

More information on Thomsons Foodservice can be found on our website www.thomsonsfoodservice.co.uk
